"WRITE LIKE AN EARTH MAGE" WORKSHOP

SMOKEY TRUDEAU, author – Observations of An Earth Mage and The Cabin
Two Hour Workshop- FREE!

You'll learn how to use specific, descriptive language to turn bland writing into exquisite prose that creates a three-dimensional color image in the mind of the reader. We'll take a walk in the woods and learn to engage all your senses in your writing: how to see with your ears, and listen with your noses. We'll learn how to observe nature—and write about it—like an Earth Mage.

Wear comfortable shoes and bring a warm jacket. You'll also need a notebook or journal to write in and a couple of pencils. If you'd like, you can also bring colored pencils, markers, a camera, or any other tools you'd like to enhance your writing experience. Bring a water bottle.

Thursday, September 2: 7:00 – 8:30 PM

MARK DURBAN, author Big Bear Photo Album
