

**San Bernardino National Forest Association  
Sponsor-A-Trail - Sponsor Application**

Our organization is interested in sponsoring a trail in the San Bernardino National Forest. We understand that there is an application and approval process for all potential sponsors. We have indicated our top 3 choices for trail sponsorship, and have provided contact and company information as requested. We understand that it can take up to several weeks to cycle through the sponsor approval process, and that SBNFA will make every effort to make that process efficient. We also understand that SBNFA and/or the San Bernardino National Forest reserve the right to refuse any sponsorship. We also understand that the Sponsor-A-Trail Program is a fundraising program designed to bring in financial resources to important work on the ground. Therefore, decisions regarding competing applications for the same trail may involve choosing the applicant offering the higher dollar contribution. We understand that once an applicant is approved, we must sign an agreement with the San Bernardino National Forest Association to finalize the trail sponsorship and must forward payment with the signed and fully executed agreement within 2 weeks of receipt of the approved application. We agree to provide the Sponsor-A-Trail Program with two high quality, all-weather adhesive decals featuring our organization's logo for trail signage upon signing the sponsorship agreement. I certify that I have the authority to submit this application, and that this application constitutes a willingness and ability to pay the amount of the level of sponsorship indicated below.

Please forward your completed application to: SAT Coordinator, SBNFA, P. O. Box 350, Sky forest, CA 92385; or fax to (909) 337-1104. For more information, call (909) 382-2776.
